**/About Me**

Hello, I'm

# Satyam Shah

🎨 Greetings from my creative area! I'm an enthusiastic graphic and UX/UI designer who is driven by a desire to create amazing user experiences. I'm a detail-oriented individual that does best in dynamic design contexts where I'm always fixing problems.

🚀 As an accomplished professional, I'm dedicated to producing unique, powerful works that connect with people. My path in the design industry has given me a variety of experiences that have shaped my work and opened my eyes to new ideas.

💡 I have a strong background in web programming in addition to design, and I can combine functionality and style to create visually appealing digital solutions. I approach every job with precision and creativity, from conception to completion.

🌐 Explore my portfolio, and let's connect for potential collaborations. Thank you for visiting - I look forward to bringing your ideas to life!

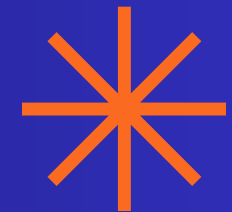

# Education & Tools

## Bachelor of Computer Engineering

Pursuing computer engineering at  
Shah and Anchor Kutchhi Engineering  
College from 2020 to 2024

# Projects

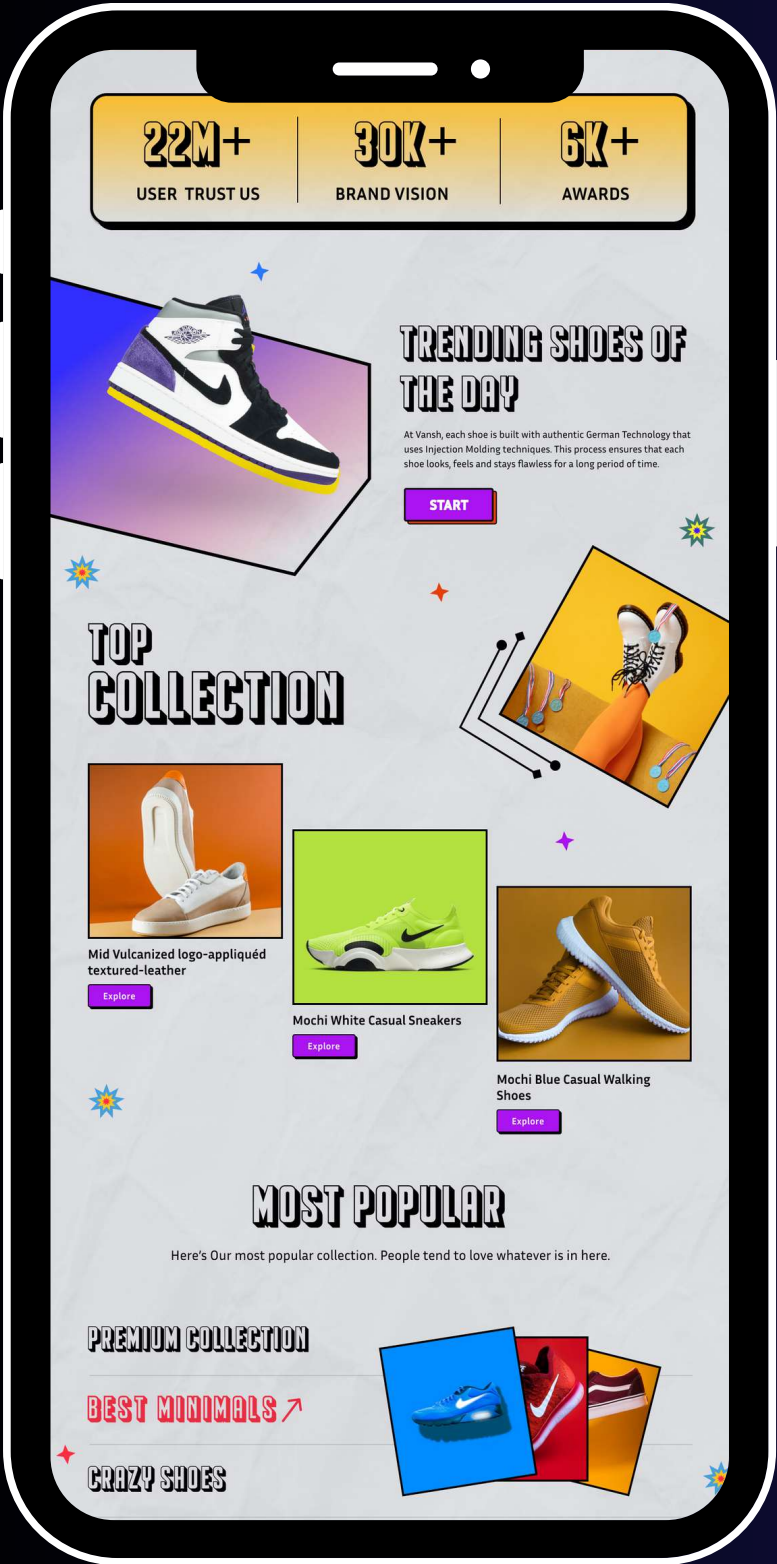

# ShoeHaven - Landing Page

I orchestrated a visually engaging UI/UX for the ShoeHaven website's landing page, featuring a captivating design poster, spotlighting top shoe collections, showcasing popular products, and concluding with a well-structured footer for seamless navigation—an immersive experience for footwear enthusiasts.
